BACKYARD BITES

1. A bridesmaid devised signature drinks, such as the Love Lobster (rum, pomegranate, club soda, and lemon) and Dos Flamingos

(tequila, grapefruit, club soda, hibiscus tea, and lime). Festive napkins read "Bottoms Up." 2. Truffle french fries made the rounds during the cocktail hour. 3. Waiters brought crab-

cake sliders from a retro-chic food truck. 4. Katie designed a giant menu showing partygoers what to expect and had it hung on the side of her parents' garage.
